A5 - portrait, standard size, 148mm x 210mm

bleed →

trim →

safe zone →

■ Bleed - document size plus 2mm

■ Trim - actual size of A5 flyer  
(standard 148mm x 210mm)

■ Safe zone - all text and graphic elements should be within this area, unless your design is meant to bleed to the edge, if so extend into bleed.

■ Cropmarks - include cropmarks to clearly indicate finished size
